

Mount Royal Improvement Association Meeting Invites BBC - Spread the Word

8:15am October 6, 2014

The Baltimore Broadband Coalition is visiting the Mount Royal Improvement Association Meeting tomorrow night, Tuesday Oct 7 at 8pm (Memorial Episcopal Church 1401 Bolton Street).

All are welcome.

Spread the word to friends and colleagues. This is a good way for folks to hear our plan to bring competition for Internet services to Baltimore. We need to stop paying more and getting less for Internet services in Baltimore.
